

NEW · FOR LENDER CREDIT TEAMS

Financials analyzed in 180 seconds.

Drop in any audited financial statement — PDF or image. FinAGG's in-house engine extracts the P&L and Balance Sheet, computes every ratio that matters for credit decisioning, and shows you exactly where each number came from on the source document.

Any statement, any format

Drop in audited reports, scanned PDFs, or phone photos — the engine handles them all.

180-second turnaround

Full extraction, computed fields and ratios — delivered before your coffee cools.

Superimposed verification

Every value links back to its location on the source PDF — auditable end-to-end.
